

Policy on Internship Program

In 1997 the CSLA component organizations agreed to use a consistent method to document the accumulation of specific skills and knowledge, relative to the profession of Landscape Architecture. Requirements for membership are set by each individual CSLA component organization.

The BCSLA Policy on Internship Program was endorsed by the British Columbia Society of Landscape Architects at its Annual General Meeting on February 28, 1998. To address the concerns of those involved and meet the requirements of the Society's Bylaws and policies an updated policy was approved by the Board of Directors on September 28, 2010. Further revisions will be necessary as the BCSLA's experience with this program continues.

The following process was devised to assist qualified BCSLA Interns who complete their formal education in one area of the country, start work in another area and apply for full membership status in yet another area and is one of the requirements for full membership in the BCSLA.

This document includes the definitions, an explanation of the mandatory experience, the reporting requirements, a discussion of the experience records and summaries and an outline of the minimum experience. Monthly Experience Record and Three-Month Experience Summary forms are available on the BCSLA website at www.bcsla.org.

Landscape Architects are encouraged to provide every opportunity possible for Interns to gain a variety of work experiences. This may include having the Interns accompany the Registered Landscape Architect as an observer until the Intern is able to carry out the task on their own. The Intern may be encouraged to prepare "parallel" documents to those being prepared by their supervisor and to submit these to the Employer and Mentor for review.

Qualified Mentor Guidelines

1. Act as the Intern member's professional advisor by conducting regular meetings with the Intern to review experience and performance and offer constructive criticism. Contact with the Intern's employer is also encouraged (if mentor and employer are not one and the same).
2. Advise the Intern with respect to their professional conduct and philosophy.
3. Counsel the Intern with respect to a proper approach to technical problems.
4. Review and assess the Intern's work experience record and advise of any deficiencies, recommending changes of focus if necessary.
5. Certify all aspects of the Intern pre-registration experience under their review.

Experience Record & Experience Summary

The Monthly Experience Record details the Intern's experience gained during the pre-registration period. It provides for recording the time spent within the eight areas of mandatory experience on a weekly occurrence. The record should be used as the basis of discussions between the Mentor and the Intern at their regular meetings. The Three-Month Experience Summary allows the Intern, Mentor, Employer and Society to keep track of the Intern's progress and to provide support when needed.

Specific instructions for the completion and submission of the Monthly Experience Record and Three-Month Summary are as follows:

- The Monthly Work Experience Record forms must be recorded online at <http://members.bcsla.org/interns/report.asp> (please see "Recording Monthly Experience Online" for instructions). Although it is not required to send Monthly Work Experience Record forms to the BCSLA, please keep a hard copy of your Records with your Qualified Mentor's stamp and signature as Interns may be asked to provide their Monthly Work Experience Records to the BCSLA upon request. Your employer must initial any alterations to the form after it is signed.
- Some work experience tasks can be completed as "Observer" where there is reluctance on the part of the employer to fully delegate certain work to inexperienced Interns.
- The online system will automatically generate the Three-Month Experience Summaries. Please see "Reviewing Three-Month Summary" for instructions. The Mentor and Intern should all sign off on the applicable reports and summaries.
- For each project completed, Interns use a separate sheet of paper to indicate the name of the project, date completed and experience obtained, along with the stamp and signature of their Mentor.
- It is advised that Interns keep a copy for their own records, as the BCSLA assumes no responsibility for lost Experience Summary sheets.

MINIMUM EXPERIENCE

The Intern is required to document a minimum of two years (3,600 hours) of work experience distributed adequately over a minimum five of the eight different mandatory work experience areas and is encouraged to complete this within five years of the beginning of the intern process.

In BC the title "landscape architect" is regulated in order that members of collateral professions, the construction industry, government and the general public are assured that an individual has completed an accredited professional degree, followed by documented experience.
