

## BCSLA Affiliate Policy

According to the BCSLA Bylaws:

**2.21** *The following are categories of Affiliates of the Society:*

- (a) **BCSLA [Honorary Member]:** *Any individual may be nominated for consideration by the Board of the designation "BCSLA [Honorary Member]", and such honor, if awarded by the Board, will include the waiver of fees and such other privileges as the Board sees fit, in recognition of outstanding community activity related to the Principles or Practice of landscape architecture.*
  
- (b) **BCSLA Affiliate:** *Any individual, organization, institution, or business with an affiliation to the Principles and Practice of landscape architecture may apply for recognition as an Affiliate of the Society.*

*Upon acceptance by the Board and payment of all fees when due, such individuals are entitled to use the designation "BCSLA Affiliate", receive all general communications of the Society, attend general meetings as a non-voting Associate, and attend continuing education programs and sessions at BCSLA rates.*

**3.22** *Only Registered Landscape Architects and Landscape Architects in good standing at a meeting of Members are entitled to vote. Each such Member is entitled to one vote. Associates or Affiliates may not vote at general meetings.*

BCSLA Affiliates must not be any individual, organization, institution or business that provides services similar to that of a Landscape Architect. As BCSLA Affiliates are not bound by the Principles and Standards of the Society, applications will be thoroughly reviewed before acceptance to ensure that there is no possibility for confusion with services provided by BCSLA Members.
