## Landscape Designer – Join Our Growing Team!

We are seeking a **Landscape Designer** to collaborate on the development of our custom designs. If you have a passion for landscape architectural design and want to be part of a dynamic team, we'd love to hear from you.

### About the Role

Under the direction of the **Landscape Architect**, you will play a key role in both design and technical execution, ensuring projects meet their design intent and goals. You'll collaborate closely with our partners and clients, contributing throughout the entire design-to-development process. Strong technical skills are essential in this fast-growing company.

### Qualifications & Skills

- Graduate of a recognized **Landscape Architecture program, Diploma in Landscape Architectural Technology**, or equivalent education and experience in landscape design.
- Eligible for **BCSLA registration** or interested in the "**Road to Licensure**" program.
- Proficiency in **AutoCAD, Adobe Design Suite, and Microsoft Office** (REVIT experience is an asset).
- Strong technical and construction drawing skills.
- Ability to adapt to a wide range of projects.
- Team-oriented mindset with strong collaboration skills.
- **Valid Class 5 Driver's License.**

### What We Offer

- A **supportive environment** with growth opportunities.
- **Work-life balance** with flexible hours.
- **Competitive salary** and **extended benefits package.**
- **45K-65K Commensurate with education and experience**
